SECTION E — Source-based Questions (3 × 4 = 12 marks)

Read the passages carefully and answer the sub-parts.

Q34. Read the source and answer (History). 'In 1848, Frédéric Sorrieu, a French artist, prepared a series of four prints visualising his dream of a world made up of democratic and social Republics... On the earth in the foreground of the image lie shattered remains of the symbols of absolutist institutions.'

- (i) What did Sorrieu's print symbolise? (1)
- (ii) Identify any two symbols of absolutist institutions in his print. (1)
- (iii) What message did Sorrieu intend to convey through his prints? (2)

Q35. Read the source and answer (Geography). 'India is endowed with a wide variety of resources. However, indiscriminate use of resources has led to numerous problems. Resource planning is widely accepted strategy for judicious use.'

- (i) What is meant by judicious use of resources? (1)
- (ii) Mention any two problems caused by indiscriminate use of resources. (2)
- (iii) Why is resource planning needed in India? (1)

Q36. Read the source and answer (Civics). 'In Belgium, leaders realised that the unity of the country was possible only by respecting the feelings and interests of different communities and regions. The Belgian Constitution stands as a special example of accommodation.'

- (i) Mention any one provision of the Belgian Constitution that reflects this accommodation. (1)
- (ii) How did community government help in Belgium? (1)
- (iii) Compare the Belgian model briefly with the Sri Lankan approach. (2)
