

Daksh's 30-Day Study Schedule

Class X — NCERT Curriculum | Period: 10 May 2026 – 8 Jun 2026

Day	Date	Subject 1: Chapter	Subject 2: Chapter / Test
1	Sun, 10-May-2026	Maths: Real Numbers	Science: Chemical Reactions and Equations
2	Mon, 11-May-2026	Maths: Polynomials	Social Science (History): The Rise of Nationalism in Europe
3	Tue, 12-May-2026	Maths: Pair of Linear Equations in Two Variables	Science: Acids, Bases and Salts
4	Wed, 13-May-2026	Maths: Quadratic Equations	Social Science (Geography): Resources and Development
5	Thu, 14-May-2026	Maths: Arithmetic Progressions	Science: Metals and Non-metals
6	Fri, 15-May-2026	Maths: Triangles	Social Science (Civics): Power-sharing
7	Sat, 16-May-2026	Maths: Coordinate Geometry	■ TEST DAY — Maths, Science & Social Science papers (Week's portion)
8	Sun, 17-May-2026	Maths: Introduction to Trigonometry	Science: Carbon and its Compounds
9	Mon, 18-May-2026	Maths: Some Applications of Trigonometry	Social Science (Economics): Development
10	Tue, 19-May-2026	Maths: Circles	Science: Life Processes
11	Wed, 20-May-2026	Maths: Areas Related to Circles	Social Science (History): Nationalism in India
12	Thu, 21-May-2026	Maths: Surface Areas and Volumes	Science: Control and Coordination
13	Fri, 22-May-2026	Maths: Statistics	Social Science (Geography): Forest and Wildlife Resources
14	Sat, 23-May-2026	Maths: Probability	■ CUMULATIVE TEST DAY (covers last 2 weeks) — Maths, Science & Social Science papers
15	Sun, 24-May-2026	Maths: Real Numbers	Science: How do Organisms Reproduce?
16	Mon, 25-May-2026	Maths: Polynomials	Social Science (Civics): Federalism
17	Tue, 26-May-2026	Maths: Pair of Linear Equations in Two Variables	Science: Heredity
18	Wed, 27-May-2026	Maths: Quadratic Equations	Social Science (Economics): Sectors of the Indian Economy
19	Thu, 28-May-2026	Maths: Arithmetic Progressions	Science: Light – Reflection and Refraction
20	Fri, 29-May-2026	Maths: Triangles	Social Science (History): The Making of a Global World
21	Sat, 30-May-2026	Maths: Coordinate Geometry	■ TEST DAY — Maths, Science & Social Science papers (Week's portion)
22	Sun, 31-May-2026	Maths: Introduction to Trigonometry	Science: The Human Eye and the Colourful World

Day	Date	Subject 1: Chapter	Subject 2: Chapter / Test
23	Mon, 01-Jun-2026	Maths: Some Applications of Trigonometry	Social Science (Geography): Water Resources
24	Tue, 02-Jun-2026	Maths: Circles	Science: Electricity
25	Wed, 03-Jun-2026	Maths: Areas Related to Circles	Social Science (Civics): Gender, Religion and Caste
26	Thu, 04-Jun-2026	Maths: Surface Areas and Volumes	Science: Magnetic Effects of Electric Current
27	Fri, 05-Jun-2026	Maths: Statistics	Social Science (Economics): Money and Credit
28	Sat, 06-Jun-2026	Maths: Probability	■ CUMULATIVE TEST DAY (covers last 2 weeks) — Maths, Science & Social Science papers
29	Sun, 07-Jun-2026	Maths: Real Numbers	Science: Our Environment
30	Mon, 08-Jun-2026	Maths: Polynomials	Social Science (History): The Age of Industrialisation

Legend:

- **Test Days:** 7, 14, 21, 28 — three papers (Maths, Science, Social Science)
- **Cumulative Tests:** Day 14 (covers Days 1–13) and Day 28 (covers Days 15–27)
- **Weekly Tests:** Day 7 (Days 1–6) and Day 21 (Days 15–20)
- Mathematics chapters cycle through all 14 chapters; cycle restarts on Day 15
- Science and Social Science alternate on non-test days
